Dedicated to improving government service to Veterans and their families.

Founded by James P. Terry

Published by the Board of Veterans' Appeals, the *Veterans Law Review* encourages frank discussion of relevant legislative, administrative, and judicial developments in veterans benefits law.

Views expressed in published articles must be considered solely those of individual authors and do not purport to voice the views of the Board of Veterans' Appeals, the Department of Veterans Affairs, or any other Agency or Department of the United States.

The *Veterans Law Review* is published yearly by appropriated funds by authority of the Department of Veterans Affairs and the volunteer efforts of attorneys working at the Board of Veterans' Appeals. This issue of the *Veterans Law Review* may be cited as: 2 VETERANS L. REV. [page number] (2010).
